

BUSHMEAD

SHAPED BY NATURE

Host your own **Street Party!**

***Making new friends, meeting neighbours
and getting to know what makes
Bushmead special is all part of feeling at
home in your community.***

In the spirit of this, we are here to help you host a casual get together in your street. We will contribute \$100 towards food or non-alcoholic drinks for any Street Party occasion.

How to Get Involved

When you're ready to host a Street Party event call or email Sally from Creating Communities to receive details on how to plan and your \$100 contribution from Cedar Woods.
