

HOST YOUR OWN SOLARIS SLAB PARTY!

Celebrate the start of your build by hosting a get-together on your new slab. Enjoy a slab of soft drink & a slab of sausages on the house.

WHAT SUPPORT DO I GET?

This is primarily a resident-led initiative, but we're here to make it as easy as possible. You'll have support from the Creating Communities team to send out invites and organise event logistics. And of course Cedar Woods will pay for the slab of sausages and soft drinks!

WHO DO I INVITE?

The rest of your future street, the whole of your stage, or even the broader Solaris community – it's up to you! You're also more than welcome to invite your friends and family to help you celebrate.

WHY ARE WE DOING IT?

We know that Solaris purchasers are keen to be a part of a tight-knit community. The Slab Party initiative is supporting you to meet your neighbours, celebrate the start of your construction journey with your family and friends, and grow Solaris as a great place to live!

HOW DO I GET INVOLVED?

When you have an indication of when your slab is going down, get in contact Creating Communities via solaris@creatingcommunities.com.au
