

**Solaris Social is all about bringing together our community, sharing and celebrating our diverse cultures and having fun every step of the way!**

We envision a community where people feel safe and comfortable, where you can go next door to borrow some sugar or sit outside and enjoy a drink with your neighbours. Where children play safely in the street, and you feel comfortable to ask for help or support from your neighbours when in need.

We want a community that feels safe because we all know each other and look out for one another.

Similar to the footpath that flows through the Solaris Estate, we hope that the Solaris Social group helps to connect everyone that lives in our beautiful community.

# HOW TO GET INVOLVED

As part of the RSVP process for events, we will also allow space for you to express interest in being involved in events and / or to inform us of your intention to join the group.

Outside of this, you can contact our founding members, Danica Hall, Pam Hankinson or Stacey Sudiarta via Facebook Messenger or through our email:

[solarissocialevents@gmail.com](mailto:solarissocialevents@gmail.com)

You can also speak to us in person at any of the events.

## JOIN OUR FACEBOOK GROUP!

The Social Solaris Facebook group is our platform for sharing community events and ideas, having positive community discussions, for collaborating and sharing resources and for bringing the community together. It's 'a place where neighbours become friends'.

Scan the QR code or follow the link below to join our Facebook group! You'll be asked a few questions to become a member of the group.
