

THE LATEST WILLIAMS LANDING NEWS HAS LANDED

Winter is well and truly on its way with shorter days and chilly nights but there is still plenty happening in Williams Landing. In this edition of the Williams Landing newsletter, we're excited to update you on everything that is coming up for the Williams Landing community and keep you up to date on the progress of some key developments over Autumn.

CEDAR WOODS COMMUNITY GRANTS 2025

WE'RE DELIGHTED TO ANNOUNCE THE RECIPIENTS OF THE CEDAR WOODS VICTORIAN COMMUNITY GRANTS FOR 2025!

This year, thirteen recipients have been selected from the City of Wyndham, home to Williams Landing, as well as the City of Whittlesea, which is home to Cedar Woods Mason Quarter development. The record number of applications we received highlights the enduring impact of these grants, inspiring more community members to apply each year.

Among this year's recipients is the Truganina South Primary School Community, a local hub that connects parents, carers, and the wider community through a range of programs and activities. Their grant will fund new sewing machines, craft materials, and outdoor gardening equipment, supporting programs that empower migrant and refugee women while fostering stronger community ties.

Congratulations to all the recipients! Thank you for your dedication and the incredible work you do in supporting local communities.

ADDISON WALK CONSTRUCTION UPDATE

WE'RE PLEASED TO SHARE THAT CIVIL CONSTRUCTION HAS CONTINUED TO PROGRESS AT ADDISON WALK, WITH KEY CIVIL AND SERVICE WORKS NEARING COMPLETION.

Footpaths along Fogarty and Woodbury Streets are complete, with asphalt laid across the site to define the road network and boost accessibility. Meanwhile, electrical and communications infrastructure has been installed, and the laneway is ready for its concrete pour, completing the final stage of external works.

We look forward to sharing further updates as Addison Walk continues to take shape.
