## THE LATEST WILLIAMS LANDING NEWS HAS LANDED

Spring has well and truly sprung and it's time to say goodbye to winter for another year and get ready for the long warm days ahead. There's plenty to see and do within and around Williams Landing, and we can't wait to see everyone out and about enjoying the sun.

In this edition of the Williams Landing newsletter, we're excited to look back on some of the events that have happened in our community over the last few months and share a status update on some key developments within Williams Landing.

## ADDISON WALK CIVIL CONSTRUCTION COMMENCEMENT

WE ARE EXCITED TO SHARE THAT CIVIL CONSTRUCTION HAS OFFICIALLY BEGUN ON THE ADDISON WALK TOWNHOMES.

Designed by DKO Architecture, the spacious, light-filled homes will offer a selection of two, three, and four-bedroom options. With a focus on modern living, each home balances style, comfort, and low-maintenance convenience. Residents will enjoy easy access to local amenities, located a short 10-minute walk from the Williams Landing train station and shopping centre.

We look forward to sharing further updates on this project as construction progresses.
